

# Productivity Investment Fund Proposal Application and Approval Process

## Proposal Application

Submit proposal by quarterly due date

Submit proposal with Letter of Request to the QPC office by one of the quarterly due dates.

## PIB Advisory Committee

Two to three weeks after submittal

Department presents proposal to the PIB Advisory Committee for peer review and recommendations.

Make any recommended changes.

## Productivity Investment Board (PIB)

Approximately two weeks after Advisory Committee

Department presents proposal to the PIB for evaluation and recommendation for approval.

A Commissioner will be appointed to represent the proposal at the Commission meeting.

## Quality and Productivity Commission

Approximately two weeks after PIB

A Commissioner representative will present the proposal to the full commission for approval.

Department should be present to answer questions.
